Class Recommendations

On the reverse side of this page you will find a class schedule with your recommended classes highlighted. There are two colors of classes highlighted: one based off the classes your student took last year, and the other are additional classes we recommend for your student! If you have any questions about your students' class schedule- please feel free to contact our office staff!

All students are placed in classes according to their age, ability and recommendation of staff members. Teachers observe students closely to make sure that they have been placed in the proper class. This process may take several weeks; as students become more comfortable with their classes we are better able to review the class level.

Please realize that on occasion changes will be necessary. Thank You.

Below is your Registration Form. Please fill this out and bring it to one of our Fall Registration dates, use our mail in option, or head to our website for online registration! *Register Early! Class sizes are limited! Former Students, Please register by September 4th.*

Classes begin Tuesday, September 17th. Thank You!

**** Please see the schedule on the reverse page ****
